Clinical Documentation Specialist

Ironwood Health Partners | Cleveland, OH

ABOUT US

Ironwood Health Partners is a multi-hospital system building a centralized clinical documentation integrity program. The team supports revenue integrity, quality reporting, and physician engagement across eight facilities.

WHAT YOU'LL DO

- Lead a team of CDI specialists and set daily review and query productivity targets
- Develop dashboards tracking query rates, response rates, and case mix trends
- Deliver physician and advanced practice provider education across facilities
- Collaborate with coding, compliance, and finance on denial prevention

WHAT WE'RE LOOKING FOR

- RN license or coding credential with CDI certification
- 8 or more years of healthcare experience including 4 years in CDI
- Prior experience leading or mentoring clinical staff
- Proficiency with reporting tools and CDI software

Ironwood Health Partners is an equal opportunity employer.
