Meredith Sato

Minneapolis, MN | 555-0126 | meredith.sato@example.test

SUMMARY

Financial analyst with seven years of experience in budgeting, forecasting, and variance analysis for mid-sized companies. Translates operational drivers into clear financial narratives that guide leadership decisions.

EXPERIENCE

Financial Analyst, Northfield Logistics Partners

Minneapolis, MN | Jan 2023 – Present

- Own the monthly forecast and variance package for a $140 million freight division, delivering results to the CFO by business day 6.
- Built a driver-based revenue model that improved quarterly forecast accuracy from 91 to 96 percent.
- Identified $750,000 in annual savings from fuel and subcontractor cost reviews.

Staff Accountant, Lindqvist and Moore Advisory

St. Paul, MN | Aug 2019 – Dec 2022

- Prepared monthly closes, reconciliations, and financial statements for 12 small business clients.
- Assisted with budget-to-actual reports and cash flow projections for clients seeking bank financing.
- Shortened client close timelines by 2 days through standardized close checklists.

Accounting Intern, Lindqvist and Moore Advisory

St. Paul, MN | Jun 2019 – Jul 2019

- Supported tax-season preparation and organized client workpapers for senior accountants.
