Sofia Marchetti

Providence, RI | 555-0111 | sofia.marchetti@example.test

SUMMARY

Health information technician with six years of experience in medical records, release of information, and coding support. Detail-oriented and audit-ready, with a record of improving chart completion rates and turnaround times.

EXPERIENCE

Health Information Technician II, Bayview Community Hospital
Providence, RI | Feb 2023 – Present

- Analyze inpatient and outpatient records for completeness, resolving deficiencies with physicians and reducing delinquent charts by 22%.
- Assign diagnosis and procedure codes for roughly 40 outpatient encounters daily with a 96% accuracy rate on internal audits.
- Train two new technicians on record-integrity workflows and the hospital's retention policy.

Medical Records Clerk, Thornfield Orthopedic Associates
Warwick, RI | Aug 2020 – Jan 2023

- Fulfilled 150+ release-of-information requests per month within the 30-day compliance window.
- Scanned, indexed, and quality-checked 1,200 documents weekly in the electronic record system.

Medical Records Assistant, Harborline Pediatrics
Cranston, RI | Jul 2019 – Jul 2020

- Maintained paper and electronic charts for a four-provider pediatric practice.
- Assisted with transition of legacy paper files into the electronic record, completing 3,000 charts.
