Anil Deshpande

Columbus, GA | 555-0119 | anil.deshpande@example.test

SUMMARY

Supply chain analyst with six years of experience in demand planning, inventory analytics, and supplier performance reporting. Translates data into practical recommendations that reduce stockouts and excess inventory.

EXPERIENCE

Supply Chain Analyst, Peachtree Valley Consumer Products

Columbus, GA | Aug 2022 – Present

- Build weekly inventory and service-level dashboards covering 2,400 SKUs for operations leadership.
- Improved forecast accuracy by 8 points on top-selling items by introducing a seasonality adjustment in SQL and Excel.
- Identified $450,000 in excess inventory and worked with planners to rebalance orders across two distribution centers.

Inventory Control Analyst, Lowcountry Industrial Supply

Savannah, GA | Jul 2020 – Jul 2022

- Analyzed cycle count variances and root causes, raising inventory record accuracy from 93% to 97%.
- Produced monthly supplier scorecards on on-time delivery and fill rate for 35 vendors.

Operations Intern, Procurement, Lowcountry Industrial Supply

Savannah, GA | Jun 2019 – Jun 2020

- Cleaned vendor and item master data and supported purchase order tracking for the buying team.

EDUCATION

- Bachelor of Science, Industrial and Systems Management, Chattahoo State University, 2019
