# Darnell Whitfield

Greenville, SC | 555-0122 | darnell.whitfield@example.test

## SUMMARY

ERP data analyst with six years of experience maintaining item masters, bills of material, and costing data for discrete manufacturers. Combines SQL reporting skills with floor-level process knowledge to improve data accuracy and support planning and finance teams.

## EXPERIENCE

### ERP Data Analyst, Piedmont Gearworks

Greenville, SC | Sep 2022 – Present

- Maintain item master, BOM, and routing data for about 9,000 active parts, keeping record accuracy above 99 percent in quarterly audits.
- Built 15 SQL-based exception reports that cut manual cycle count reconciliation time from 10 hours to 3 hours per week.
- Led data validation for an ERP module upgrade, resolving 410 discrepancies before go-live.

### Inventory Control Analyst, Southbank Fastener Corporation

Spartanburg, SC | Jul 2019 – Aug 2022

- Reconciled inventory transactions across two warehouses, reducing book-to-physical variance from 3.1 to 1.2 percent.
- Produced weekly slow-moving stock reports that supported a $380,000 write-down decision.

### Materials Clerk, Southbank Fastener Corporation

Spartanburg, SC | Jun 2018 – Jun 2019

- Processed receipts and issues in the ERP system and resolved discrepancies with receiving staff.
- Assisted with annual physical inventory counts covering 4,500 locations.

## EDUCATION

- B.S., Information Systems, Upstate Carolina University College, 2018
