Oksana Bondarenko

Columbus, OH | 555-0131 | oksana.bondarenko@example.test

SUMMARY

Front-end developer with 5 years of experience building responsive interfaces in React and TypeScript for retail and e-commerce teams. Focused on performance, accessible markup and maintainable component libraries.

EXPERIENCE

Front-End Developer, Buckeye Basket Commerce
Columbus, OH | Apr 2023 – Present

- Build checkout and account pages in React and TypeScript serving 300,000 monthly shoppers.
- Improved mobile page load time by 38% through code splitting and image optimization.
- Created a shared component library adopted by 4 product teams.

Web Developer, Northcoast Print and Pixel
Cleveland, OH | Jul 2021 – Mar 2023

- Delivered 20+ marketing and campaign sites using JavaScript, HTML and CSS.
- Introduced a style guide and reusable templates that shortened new-site setup from 3 weeks to 1.

Junior Web Developer, Miami Valley Interactive
Dayton, OH | Jun 2019 – Jun 2021

- Implemented designs from mockups into responsive pages for regional clients.
- Fixed over 150 cross-browser bugs and documented recurring issues for the team.

EDUCATION

- B.A. Digital Media Design, Great Lakes Central College, 2019
