Isaac Lindgren-Moyo

Minneapolis, MN | 555-0132 | isaac.moyo@example.test

SUMMARY

Data analyst with 7 years of experience turning operational and customer data into dashboards and recommendations for finance and product teams. Comfortable with SQL, Python and presenting findings to executives.

EXPERIENCE

Senior Data Analyst, Northstar Subscription Group

Minneapolis, MN | Jan 2024 – Present

- Own churn and retention reporting for a base of 450,000 subscribers.
- Built a cohort analysis that identified a billing issue responsible for 3% of avoidable cancellations.
- Train 12 business users on self-service dashboards, reducing ad hoc report requests by 30%.

Data Analyst, Lakeshore Mutual Services

St. Paul, MN | Sep 2021 – Dec 2023

- Wrote SQL and Python to consolidate claims data from 5 sources into a single reporting layer.
- Automated weekly executive reports, saving about 8 analyst hours per week.

Reporting Analyst, Prairie Ledger Credit Union

Fargo, ND | Jul 2019 – Aug 2021

- Produced monthly lending and delinquency reports for the leadership team.
- Improved data quality checks, cutting reporting corrections by 50%.

EDUCATION

- B.S. Statistics, Northern Lakes University, 2019
